

Membership Identification Cards

While we have had many new homeowners move into the community over the past couple of years, many have moved out of the community as well. Many of the individuals who have moved out of the community attempting to access the facility with identification cards that were issued to them several years ago. Therefore, we have found it necessary to implement a new low cost membership identification card system. This new “**membership identification card**” is **required** for access to the facility by **ALL** members. Driver’s Licenses are no longer accepted as valid identification for entry into the facility. Only our new “**membership identification card**” would be considered a valid card. It must be shown upon entry into the facility or be on file with the club office. Children, 7-15 years of age who have previously passed the swim test, will be required to also obtain a new Membership ID card. We understand that children tend to lose or misplace their ID’s easily and we would be happy to secure their card on file in the office for them. The new “**membership identification card**” will be given to homeowners and their children 16-24 years of age residing in the home. Older adult children, 25 years and older, residing with their parent in the Deane community along with boarders and renters would be required to show proof of residence in the Deane Tract prior to acquiring their “**membership identification card**”. These membership cards will be valid for one year after which they will be required to renew their membership ID card prior to the expiration date. At this time there is no charge for the new membership card and is subject to change without notice. You may come to the club office and fill out the information form (available only at the office) and have your picture taken during normal business hours daily.

For more information or to make special arrangements to obtain your id card, please call the club office at 837-4070.
